Petitioner has completed B.Tech Degree in Electrical and Electronics Engineering Branch. For the 6th semester, petitioner appeared in the supplementary examination and unsatisfied with the result of the 8th semester, she has also applied for its revaluation. The grievance of the petitioner is that valuation of the supplementary examination and revaluation applied for has not been completed. It is submitted that on account of the delay, she is not able to accept an offer of employment, where she is to join in the first week of October.

2. Standing counsel for the University submits that valuation for the supplementary examination is already completed and that the revaluation is yet to be completed. According to him, revaluation process will be completed within a week's time. It is submitted that if in the meanwhile petitioner submits an application for a confidential marklist, immediately on

completion of revaluation, the results will be communicated to her employer. The offer of the University to complete revaluation in a week's time, appears to be reasonable.

3. Therefore the only course open is to direct the petitioner to make application to the University for confidential marklist, in which event, the University will complete the process of revaluation at the earliest and communicate the result to the employer, in the address which will also be furnished by the petitioner.

Writ petition is disposed of as above.

ANTONY DOMINIC, JUDGE.
